**Crassevig** chair is a masterpiece of design and comfort with attention to detail. **Crassevig's** product line is exclusively made in Italy, with "zero-mile" principles with a great concern for life and the environment.

**UNIQUE DESIGN.** **Crassevig** is in a position to customize any project with proven experience and promptness, working together with customers and their architects. For this reason, hospitality areas become comfortable and stimulating places enriched by unparalleled design. The linear shapes and wide comfortable backs of **Crassevig's**

chairs help to guarantee the comfort for guests.

**SUSTAINABLE QUALITY.** **Crassevig** designs and products respect life and the environment and at the same time, follow the guidelines set by the certified system standards as ISO 14001:2004, using FSC® certified wood, glues of low formaldehyde contents and first quality fabrics nice to the touch. Product testing is carried out in collaboration with CATAS, the largest Italian institute and global reference point for research and testing in wood and furniture industry.
